Sir,

Subject: Issue of modified Government Order for release of certain lands.

Refce: G.O.No.AFD 464 FGL 59 dated 25-3-60.

--

In the above Government order (copy enclosed) Government were pleased to order disforestation and release of several Survey Numbers for the expropriated ryots of Sharavathy Valley Project. One of the items thereof was an extent of 300 acres in S.No.1 of Hanagere and S.No.1 of Maleshankar in Karkutchi Forest. The Special Officer for Rehabilitation and Conservator of Forests after a joint inspection and discussion came to the conclusion that it was not desirable to hand-over this area and in lieu of this it was agreed that 247-10 acres as noted below to be cleared and handed over.

Accordingly these areas were cleared and handed over to Revenue Department and granted the same to the several expropriated ryots. The Conservator of Forests wrote to the Chief Conservator Forests in his No.M.272 dated 9-5-61 to obtain a modified Government order of release. A copy of his letter is also enclosed for ready reference. As the matter has been long delayed and the settlers are urging for issue of Saguvali chits, I request that Government may pleased to ~~to~~ issue a modified Government order to read as follows:-

Copy of the letter No.M.272-1145/57-58 dated 9-5-1961 from the Conservator of Forests in Mysore, Bangalore to the Special Officer for Rehabilitation & Irrigation Development in Tunga, Bhadra & Sharavathy Projects, Shimoga.

--

Sub: Handing over the possession of the released forest lands for being allotted to the expropriated ryots.

--

With reference to the above, I write to invite your kind reference to the Government order No.AFD 464 FGL 59 dated 25-3-1960 communicated in your Memo No.B3.339-845/59 dated 11-4-1960, wherein the Government have ordered to release 300 acres of forest land out of F.S.No.1 of Karkuchi Forest of Hanagere Village and S.No.1 of Maleshankar village of Shimoga District.

The Special Officer for Rehabilitation and Irrigation Development in Tunga, Bhadra and Sharavathy Projects, Shimoga has stated that the area ordered to be released contains thick and valuable forest growth and as such the disafforestation of this area may effect the forest wealth. In view of the above, he has suggested to exclude this area and in liew, requested for the release of equvalent extent of area from S.No.1 of Hanagere village of Hanagere State Forest. The Special Land Acquisition Officer has surveyed an ~~xxxx~~ area of 257.10 acres in 3 bids and marked them on the ground. About 42.30 acres is still to be surveyed and marked.

In this connection, I invite your kind reference to the discussions held on 29.3.1961 at Sagar with the Minister for Forests in this matter.

This subject was again discussed by me with the Special Officer, Shimoga was also present at that time. It was decided to release an equovalent extent of area from Hanagere State Forest in exchange as proposed by the Special Officer. The area suggested is in four patches and they are reported to be lowlying areas fit for cultivation, not containing thick forest growth.

I am instructing the District Forest Officer, Shimoga, to clear the area now suggested pending orders of the Government ordered to be released in Government order dated 25.3.1960. Action taken by me may kindly be ratified.

I also request you kindly to address the Government in the matter and to issue an amendment to the above Government Order dated 25.3.1960.

The sketch of the areas suggested has been called for from the District Forest Officer and it will be submitted soon after the receipt.
